

Bequests

NPAQ relies on the support and generosity of its members and the public to allow it to fulfill its Aims and Objects and its vital Advocacy role as the premier non-government organisation in Queensland in respect of National Parks and the Protected Area Estate.

The two most common means of showing your support for NPAQ are by making a Donation or by Setting up a Bequest in your will.

Bequests allow you to make sure your care for the NPAQ and its role lives on.
